4. Immediately upon issuance, respondent's license shall be reprimanded.
5. Respondent shall comply with all federal and state statutes and regulations applicable to her license.
6. Respondent shall notify the Department of any change in her employment within fifteen (15) days of such change.

9. Respondent understands this Reinstatement Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Connecticut State Board of Examiners for Nursing in which (1) her compliance with this Reinstatement Consent Order is at issue, or (2) her compliance with §20-102 of the General Statutes of Connecticut, as amended, is at issue. Further, respondent understands that any discipline imposed by this

Consent Order, except for a civil penalty, shall be reported to the National Practitioner Data Bank.

Further, this Reinstatement Consent Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the Connecticut General Statutes provided that this stipulation shall not deprive respondent of any other rights that she may have under the laws of the State of Connecticut or of the United States.

11. This Reinstatement Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
