Robert J. Shabunia, being duly sworn, deposes and says:

1. I am over the age of majority and understand the obligations of an oath.

2. I make this affidavit on the basis of personal knowledge.

3. I am licensed by the Department of Public Health (hereinafter "the Department") to practice as a registered sanitarian. I presently hold registered sanitarian license number 000463. In addition, I have been approved by the Commissioner of the Department of Public Health to investigate, inspect and approve plans relating to subsurface sewage disposal systems pursuant to Section 19-13-B103e(b) of the Regulations of Connecticut State Agencies (hereinafter "the Regulations"). Said approval includes what is commonly known as Phase I Certification, pursuant to Section 19-13-B103e(b)(2)(A) of the Regulations (hereinafter "Phase I Certification") and what is commonly known as Phase II Certification, pursuant to Section 19-13-B103e(b)(2)(B) of the Regulations (hereinafter "Phase II Certification").

4. I hereby voluntarily surrender my license to practice as a registered sanitarian in the State of Connecticut, as well as my Phase I Certification and Phase II Certification.

5. I hereby knowingly, intentionally, expressly, irrevocably and voluntarily waive and forever release and relinquish any and all rights that I may have now or in the future to either seek a new license and/or certification and/or to reinstate my registered sanitarian license and/or certifications identified in paragraph 3.

6. I hereby knowingly, intentionally, expressly, irrevocably and voluntarily waive any right to a hearing I may have regarding any request that my license and/or certification be reinstated or that a new license and/or certification be issued and also knowingly, intentionally, expressly, irrevocably and voluntarily waive any right that I may have to appeal or otherwise challenge the disposition of any such request.

7. I understand and agree that this affidavit and the case file in Petition Number 2005-1201-035-003 are public documents, and I am executing this affidavit in settlement of the

allegations contained in the above-referenced petition and in consideration of the Department dismissing Petition No. 2006-1228-035-003 (which petition was opened by the Department in connection with its audit of the North Stonington Health Department's subsurface sewage disposal system files.).

8. I understand that this surrender of my registered sanitarian license and of my Phase I Certification and Phase II Certification is a reportable event and is public information.

9. I understand that this document has no effect unless and until it is executed by the Department; and that, upon execution, the Department will dismiss Petition No. 2005-1201-035-003 and Petition Number 2006-1228-035-003 (which petition was opened by the Department in connection with its audit of the North Stonington Health Department's subsurface sewage disposal system files). I further understand that the investigation file in Petition Number 2006-1228-035-003 is a public document.

10. I understand that I have the right to consult with an attorney prior to signing this affidavit and in fact I have done so.

11. I understand that the execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau.

12. I understand that the purpose of this agreement is to resolve the pending matter against my license and is not intended to affect any claim of civil liability that might be brought against me.

13. If applicable, I agree to comply with the provision of Section 19a-14-44 Regulations Connecticut State Agencies.

Robert J. Shabunia
