4. Respondent shall execute releases for his treatment records, as requested by the Department.
5. This stipulation shall not deprive respondent of his right to a hearing on the merits of this case, nor shall it be construed as an admission of any fact or waiver of any right to which respondent may be entitled, other than as specifically provided for herein.
6. This Interim Consent Order shall become effective on the day it is approved and entered by the Board.
7. Respondent permits a representative of the Department to present this Interim Consent Order and the factual basis for this Consent Order to the Board. Respondent understands that the Board has complete and final discretion as to whether an executed Interim Consent Order is approved or accepted.
8. I understand and agree that this Interim Consent Order is a public document.
9. Respondent has had the opportunity to consult with an attorney prior to signing this document.
10. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau.
