In re: Stacy Rogers, R.N.

Petition No. 2006-1228-010-119

**STATEMENT OF CHARGES**

Pursuant to the General Statutes of Connecticut, §§19a-10 and 19a-14, the Department of Public Health (hereinafter "the Department") brings the following charges against Stacy Rogers:

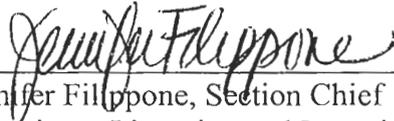

1. Stacy Rogers of Danbury (hereinafter "respondent") is, and has been at all times referenced in this Statement of Charges, the holder of Connecticut registered nurse license number E61048.
2. On May 20, 2004, the Connecticut Board of Examiners for Nursing (hereinafter "the Board") ordered a Consent Order in Petition Number 2004-0407-010-030 (hereinafter "the Consent Order") that placed respondent's registered nurse license on probation for a period of four years. Such disciplinary action was based upon respondent's admitted diversions of controlled substances, and falsification of controlled substance records.
3. Said Order specifically provided that respondent shall:
  - a. engage in therapy and counseling with a licensed or certified therapist approved by the Board and the Department for the entire probationary period;
  - b. submit to random screens for drugs and alcohol; and/or,
  - c. said urine screens shall be negative for the presence of drugs and/or alcohol.
4. During part of 2006, respondent was not engaged in therapy or counseling. No notice to or approval from the Board and/or the Department had been given.
5. On or about May 31, 2006, respondent failed to present herself for a urine screen that had been ordered.
6. Only one urine screen was conducted during August 2006, and no screens were conducted in September and /or October 2006.
7. During November and/or December 2006, respondent's urine screen(s) tested positive for amphetamines.

8. Respondent's conduct as described above constitutes violations of the terms of probation as set forth in the Consent Order, and subjects respondent's license to revocation or other disciplinary action authorized by the General Statutes of Connecticut, §§19a-17 and 20-99(b).

THEREFORE, the Department prays that:

The Connecticut Board of Examiners for Nursing, as authorized by the General Statutes of Connecticut, §§20-99(b) and 19a-17, revoke or order other disciplinary action against the license of Stacy Rogers as it deems appropriate and consistent with law.

Dated at Hartford, Connecticut this 25<sup>th</sup> day of January 2007.
