4. Respondent shall execute releases for her treatment records, as requested by the Department.
5. This stipulation shall not deprive respondent of her right to a hearing on the merits of this case, nor shall it be construed as an admission of any fact or waiver of any right to which respondent may be entitled, other than as specifically provided for herein.
6. This Interim Consent Order shall become effective on the day it is approved and entered by the Board.
7. Respondent permits a representative of the Department to present this Interim Consent Order and the factual basis for this Consent Order to the Board. Respondent understands that the Board has complete and final discretion as to whether an executed Interim Consent Order is approved or accepted.
8. Respondent has had the opportunity to consult with an attorney prior to signing this document.
