WHEREAS, respondent hereby admits and acknowledges that:

1. On or about January 26 and 27, 1994, while providing home health care to patient Orlando Silvestri, she failed to administer two doses of insulin to said patient as per physician orders and charted that such doses had been administered by her.

5. That this Consent Order is effective on the first day of the month immediately following the month in which this Consent Order is approved and accepted by the Board.
6. That respondent understands this Consent Order is a matter of public record.
7. That respondent understands this Consent Order may be considered as evidence of the above admitted violations in any proceeding before the Board in which her compliance with §20-99(b) of the General Statutes of Connecticut, as amended, is at issue.
8. That this Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Consent Order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any other rights that she may have under the laws of the State of Connecticut or of the United States.

9. That respondent permits a representative of the Department to present this Consent Order and the factual basis for this Consent Order to the Board. The Department and respondent understand that the Board has complete and final discretion as to whether an executed Consent Order is approved or accepted.
