6. That this Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, that said order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive her of any rights that she may have under the laws of the State of Connecticut or of the United States.
7. That she permits the Public Health Hearing Office of the Division of Medical Quality Assurance, Department of Health Services or a representative thereof to present this Consent Order and the prehearing review documents to the Connecticut Board of Examiners for Nursing.
