WHEREAS, respondent hereby admits and acknowledges that:

1. At all relevant times, respondent was employed by Marlborough Health Care in Marlborough, Connecticut.
2. From approximately January 2001 to May 2001, respondent signed out numerous controlled substance medications on the Controlled Substance Disposition Record, but failed to fill out corresponding documentation for these doses in the patient's Medication Administration Records.
3. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-99(b), including but not limited to §20-99(b)(2).

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest the above allegations at a hearing in front of the Board of Examiners for Nursing (hereinafter "the Board").

Respondent further agrees that this Consent Order shall have the same effect as if ordered after a full hearing pursuant to §§19a-9, 19a-10, and 20-99(b) of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §19a-17 and §20-99(a) of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives her right to a hearing on the merits of this matter.
2. Respondent shall comply with all federal and state statutes and regulations applicable to her profession.
3. Respondent's license number 021586 to practice as a licensed practical nurse in the State of Connecticut is hereby placed on probation for two years, subject to the following terms and conditions:
 - A. Respondent shall provide a copy of this Consent Order to all current and future employers for the duration of her probation.
 - B. Respondent shall not be employed as a nurse for a personnel provider service, Assisted Living Services Agency, Homemaker - Home Health Aide Agency, or home health care agency, and shall not be self-employed as a nurse for the period of her probation.
 - C. Respondent shall be responsible for the provision of written reports directly to the Board and the Department from her nursing supervisor (i.e., Director of Nursing) monthly for the entire probationary period. Respondent shall provide a copy of this Consent Order to any and all employers if employed as a nurse during the probationary period. The Board and the Department shall be notified in writing by any employer(s) within fifteen (15) days of the commencement of employment as to the receipt of a copy of this Consent Order. Employer reports shall include documentation of respondent's ability to safely

- D. Respondent shall notify the Board and the Department in writing of any change of employment within fifteen (15) days of such change.
- E. Respondent shall notify the Board and the Department of any change in her home or business address within fifteen (15) days of such change.
- F. If respondent pursues further training or is engaged at the time of the implementation of the Consent Order, in an educational program in any subject area that is regulated by the Department, respondent shall provide a copy of this Consent Order to the educational institution or, if not an institution, to respondent's instructor. Such institution or instructor shall notify the Department of receipt of the Consent Order within fifteen (15) days of receipt.

- 4. Any violation of the terms of this Consent Order without prior written approval by the Board shall constitute grounds for the Department to seek revocation of respondent's nursing license following notice and an opportunity to be heard.

5. Any extension of time or grace period for reporting granted by the Board shall not be a waiver or preclude the Board's right to take action at a later time. The Board shall not be required to grant future extensions of time or grace periods.
6. Legal notice of any action shall be deemed sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Health Systems Regulation of the Department.
7. This Consent Order is effective on the first day of the month immediately following the month in which this Consent Order is approved and accepted by the Board.
8. Respondent understands this Consent Order is a matter of public record.
9. Respondent understands this Consent Order may be considered as evidence of the above admitted violations in any proceeding before the Board in which (1) her compliance with this same Consent Order is at issue, or (2) her compliance with §20-99(b) of the General Statutes of Connecticut, as amended, is at issue.
10. In the event respondent violates a term of this Consent Order, respondent agrees immediately to refrain from practicing as a licensed practical nurse, upon request by the Department, with notice to the Board, for a period not to exceed 45 days. During that time period, respondent further agrees to cooperate with the Department in its investigation of the violation, and to submit to and complete a medical, psychiatric or psychological evaluation, if requested to do so by the Department; and, that the results of the evaluation shall be submitted directly to the Department. Respondent further agrees that failure to cooperate with the Department in its investigation during said 45 day period shall constitute grounds for the Department to seek a summary suspension of respondent's license. In any such summary action, respondent stipulates that failure to cooperate with the Department's investigation shall be considered by

the Board and shall be given due weight by the Board in determining whether respondent's conduct constitutes a clear and immediate danger as required pursuant to Connecticut General Statutes, sections 4-182(c) and 19a-17(c). The Department and respondent understand that the Board has complete and final discretion as to whether a summary suspension is ordered.

11. In the event respondent violates any term of this Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of respondent's license before the Board.
12. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Consent Order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any other rights that respondent may have under the laws of the State of Connecticut or of the United States.
13. Respondent permits a representative of the Department to present this Consent Order and the factual basis for this Consent Order to the Board. The Department and respondent understand that the Board has complete and final discretion as to whether an executed Consent Order is approved or accepted.
