In re: Matthew Dallachie, L.P.N.

Petition No. 2012-30

**STATEMENT OF CHARGES**

Pursuant to the General Statutes of Connecticut, §§19a-10 and 19a-14, the Department of Public Health (hereinafter "the Department") brings the following charges against Matthew Dallachie, L.P.N.:

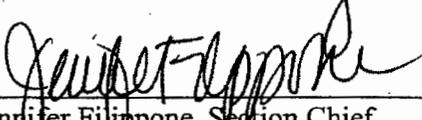

1. Matthew Dallachie of Milford, Connecticut (hereinafter "respondent") is, and has been at all times reference in this Statement of Charges, the holder of Connecticut licensed practical nurse license number 029702.
2. During October 2006, the Connecticut Board of Examiners for Nursing (hereinafter "the Board") ordered a Consent Order in Petition Number 2005-0930-011-038 (hereinafter "the Consent Order") that placed respondent's licensed practical nurse license on probation for a period of four years. Such disciplinary action was based upon allegations of diversion of controlled substances, and falsification of controlled substance records. During December 2010, the Connecticut Board of Examiners for Nursing (hereinafter "the Board") ordered a Memorandum of Decision in Petition Number 2010-353 (hereinafter "the Decision") that extended the licensure probation for a period of two years.
3. Said Decision specifically provided that during the two year period of probation, respondent shall submit to observed random urine screens for drugs and alcohol. Reports of such screens are to be supplied to the Department.
4. Said Decision specifically provided that during the two year period of probation, respondent shall submit to attend therapy session. Reports of such screens are to be supplied to the Department.
5. During the course of approximately October 1, 2011 through January 12, 2012, respondent, on one or more occasions:
  - a. failed to submit to required observed, random urine screens; and/or,
  - b. failed to ensure the submission of required laboratory reports of his urine screens for drugs and alcohol to the Department.

6. During the course of approximately November 15, 2011 through January 12, 2012, respondent:
  - a. failed to engage in required therapy and counseling; and/or,
  - b. failed to ensure submission of required monthly, written reports from an approved therapist.
  
7. Respondent's conduct as described above constitutes violations of the terms of probation as set forth in the Consent Order, and subjects respondent's license to revocation or other disciplinary action authorized by the General Statutes of Connecticut, §§19a-17 and 20-99(b).

THEREFORE, the Department prays that:

The Connecticut Board of Examiners for Nursing, as authorized by the General Statutes of Connecticut, §§20-99(b) and 19a-17, revoke or order other disciplinary action against the nursing license of Matthew Dallachie, as it deems appropriate and consistent with law.

Dated at Hartford, Connecticut this 26<sup>th</sup> day of January 2012.
