In re: Lori Ann Sudell, R.D.H.

Petition No. 2003-0505-013-001

STATEMENT OF CHARGES

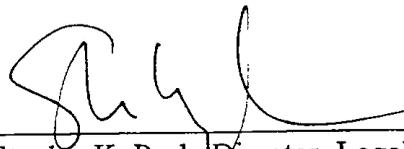

Pursuant to the General Statutes of Connecticut, §§19a-10 and 19a-14, the Department of Public Health (hereinafter "the Department") brings the following charges against Lori Ann Sudell:

1. Lori Ann Sudell of Greenwich (hereinafter "respondent") is, and has been at all times referenced in this Statement of Charges, the holder of Connecticut dental hygiene license number 006240.
2. On January 31, 2003, the Department issued a Memorandum of Decision in Petition Number 2001-0125-013-001 (hereinafter "the Decision") that placed respondent's dental hygiene license on probation for a period of three years. Such disciplinary action was based upon proof of respondent's use of her two employers' DEA identification numbers to call in hydrocodone prescriptions for her own use.
3. Said Decision placed respondent's license on probation for three years, and specifically provided that that she must participate in therapy, submit to random screens for drugs and alcohol, attend support groups, provide employer reports and successfully complete her criminal probation.
4. Respondent has failed to comply with any of these terms of her probation.
5. Respondent's conduct as described above constitutes violations of the terms of probation as set forth in the Decision, and subjects respondent's license to revocation or other disciplinary action authorized by the General Statutes of Connecticut, §§19a-17 and 20-126o.

THEREFORE, the Department prays that:

The Department, as authorized by the General Statutes of Connecticut §§20-126o and 19a-17, revoke or order other disciplinary action against the license of Lori Ann Sudell as it deems appropriate and consistent with law.

Dated at Hartford, Connecticut this 22nd day of May 2003.
