WHEREAS, Diana Zaremba of South Glastonbury, Connecticut (hereinafter "respondent") has applied for licensure to practice as a speech and language pathologist by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 399 of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent admits that:

1. The Department has at no time issued respondent a license to practice the occupation of a Speech and Language Pathologist under the General Statutes of Connecticut, Chapter 399.
2. During the course of approximately September 2002 through May 2012, respondent worked as a speech and language pathologist in Connecticut without holding a license as required pursuant to Connecticut's General Statutes.
3. The conduct described above constitutes grounds for the denial of respondent's application for licensure pursuant to §19a-14 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §19a-14 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives the right to a hearing on the merits of her application for licensure.
2. After satisfying the requirements for licensure as a hairdresser/cosmetician as set forth in Chapter 387 of the General Statutes of Connecticut, respondent's license to practice as a speech and language pathologist will be issued.

3. Respondent's license to practice as speech and language pathologist in the State of Connecticut shall, immediately upon issuance, be reprimanded.
4. Respondent shall pay a civil penalty of four-thousand dollars (\$4,000.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition Number on the face of the check. Said civil penalty shall be payable at the time respondent submits this executed Prelicensure Consent Order to the Department.
5. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau. The purpose of this Prelicensure Consent Order is to resolve the pending administrative license disciplinary petition only, and is not intended to affect any civil or criminal liability or defense.
6. This Prelicensure Consent Order embodies the entire agreement of the parties with respect to this case. All previous communications or agreements regarding the subject matter of this Prelicensure Consent Order, whether oral or written, between the parties are superseded unless expressly incorporated herein or made a part hereof.
7. Respondent shall comply with all state and federal statutes and regulations applicable to her license.
8. Respondent shall notify the Department of any change(s) in her employment within fifteen (15) days of such change.
9. Respondent shall notify the Department of any change(s) in her home and/or business address within fifteen (15) days of such change.
10. Legal notice shall be sufficient if sent to respondent's last known address of record reported to Practitioner Licensing and Investigations of the Healthcare Quality and Safety Branch of the Department.

11. Respondent understands that this Prelicensure Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Commissioner of the Department of Public Health in which (1) her compliance with this Prelicensure Consent Order is at issue, or (2) her compliance with Title 20 of the Connecticut General Statutes, as amended, is at issue.
12. This Prelicensure Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Prelicensure Consent Order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any other rights that she may have under the laws of the State of Connecticut or of the United States.
13. This Prelicensure Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
