CONSENT ORDER

WHEREAS, Amanda M. Juliano of Madison, Connecticut ("respondent") has been issued license number 058452 to practice hairdressing by the Department of Public Health ("the Department") pursuant to Chapter 387 of the General Statutes of Connecticut, as amended.

WHEREAS, respondent admits:

1. From approximately September 2008 through February 25, 2010, respondent practiced hairdressing without a license.
2. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-252 and §20-263, including, but not limited to, §20-263(5).

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest this matter and agrees that for purposes of this or any future proceedings before the Board ("the Board"), this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10, 19a-14 and 20-263 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14, 19a-17 and 20-263 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives her right to a hearing on the merits of this matter.

2. Respondent's license number 058452 to practice as a hairdresser in the State of Connecticut is hereby reprimanded.
3. Respondent shall pay a civil penalty of five hundred dollars (\$500.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition Number on the face of the check, and shall be payable at the time respondent submits the executed Consent Order to the Department.
4. Respondent shall comply with all state and federal statutes and regulations applicable to her licensure.
5. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Practitioner Licensing and Investigations Section of the Healthcare Systems Branch of the Department.
6. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Board.
7. Respondent understands this Consent Order is a public document and may be considered as evidence of the above admitted violations in any proceeding before the Board in which her compliance with this Consent Order or with §20-263 of the General Statutes of Connecticut, as amended, is at issue.
8. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Respondent understands that this Consent Order shall not be subject to modification as a result of any claim that the terms contained herein may result in action by third parties, including, but not limited to, healthcare facilities and/or credentialing or licensure boards. Respondent assumes all responsibility for assessing such actions prior to the execution of this document. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive

respondent of any rights that she may have under the laws of the State of Connecticut or of the United States.

9. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
10. Respondent permits a representative of the Legal Office of the Healthcare Systems Branch to present this Consent Order and the factual basis for this Consent Order to the Board. Respondent understands that the Board has complete and final discretion as to whether this executed Consent Order is approved or accepted.
11. Respondent has the right to consult with an attorney prior to signing this document.
12. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau. The purpose of this Consent Order is to resolve the pending administrative license disciplinary petition only, and is not intended to affect any civil or criminal liability or defense.
13. This Consent Order embodies the entire agreement of the parties with respect to this case. All previous communications or agreements regarding the subject matter of this consent order, whether oral or written, between the parties are superseded unless expressly incorporated herein or made a part hereof.

I, Amanda M. Juliano, have read the above Consent Order, and I stipulate and agree to the terms as set forth therein. I further declare the execution of this Consent Order to be my free act and deed.
