Dear Mr. Macko:

On behalf of the Department of Public Health, I want to congratulate you upon the successful completion of all requirements for the reinstatement of licensure as a respiratory care practitioner in the State of Connecticut.

Connecticut license number 001011 has been reissued to you, effective the date of this letter. You are eligible to begin the practice of respiratory care as of this date.

Also, enclosed is a copy of the fully executed Consent Order in accordance with which your license is being reinstated. The Consent Order is effective as of the date of licensure noted above.

You will receive your license in about eight (8) weeks, at the address shown above. Full instructions regarding future renewal will also be enclosed.

It is your responsibility to notify the Department of Public Health, in writing of any future changes of name and/or address. Such notification to the Department is required by law, and failure to provide same will jeopardize the status of your license.

Failure to renew your license within ninety (90) days of the due date will result in your license becoming void. In that event, re-licensure would require a new application to the Department and a review of all credentials to determine whether you would satisfy current licensing requirements. In order to avoid such a process, be sure that you renew your license in a timely manner each year in the month of your birth.

If you have any questions, please do not hesitate to contact this office at 860-509-7584.

Sincerely,
