Dear Ms. Sorbo:

This is to advise you that you have completed all requirements for reinstatement of your license to practice radiography in Connecticut. License number 001564 has been reissued effective the date of this letter.

Enclosed is a copy of the fully executed Reinstatement Consent Order in accordance with which your license is being reinstated.

You will receive your license in approximately eight (8) weeks, at your address of record. Instructions regarding future renewal will be enclosed. Failure to renew your license within ninety (90) days of the due date will result in your license becoming void. In that event, re-licensure would require a new application to the Department and a review of all credentials to determine whether you would satisfy current licensing requirements. In order to avoid such a process, be sure to renew your license in a timely manner each year in the month of your birth.

It is your responsibility to notify the Department of Public Health, in writing, of any future changes of name and address. Such notification to the Department is required by law and failure to provide same will jeopardize the status of your license.

If you have any questions, please do not hesitate to contact this office at 860-509-7590.

Sincerely,
