**REINSTATEMENT CONSENT ORDER**

WHEREAS, Kathleen Bell of Madison, Connecticut (hereinafter "respondent") has been issued license number 002653 to practice as a radiographer by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 376c of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent's license expired on October 31, 2006, and respondent has now applied to have said license reinstated by the Department pursuant to Chapter 368a of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. After October 31, 2006, when her license as a radiographer expired, respondent practiced as a radiographer without a license to do so.
2. The conduct described above constitutes grounds for denial of respondent's application for reinstatement pursuant to §19a-14(a)(6) of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-17 and 20-74cc of the General Statutes of Connecticut, as amended, respondent hereby stipulates and agrees as follows:

1. She waives her right to a hearing on the merits of this matter.

2. Respondent's license number 002653 to practice as a radiographer in the State of Connecticut is hereby reprimanded.

4. Respondent shall pay a civil penalty of five hundred dollars (\$500.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition Number on the face of the check. Said civil penalty shall be payable at the time respondent submits this executed Reinstatement Consent Order to the Department.
5. Respondent shall comply with all federal and state statutes and regulations applicable to her license.
6. Respondent agrees that this Reinstatement Consent Order shall be deemed a public document, and the Department's allegations as contained in this Consent Order shall be deemed true in any subsequent proceeding before the Commissioner of the Connecticut Department of Public Health in which (1) her compliance with this Reinstatement Consent Order is at issue, or (2) her compliance with §20-74cc of the General Statutes of Connecticut, as amended, is at issue. Further, respondent understands that any discipline imposed by this Consent Order, except for a civil penalty, shall be reported to the National Practitioner Data Bank.
7. This Reinstatement Consent Order and the terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Reinstatement Consent Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the Connecticut General Statutes provided that this stipulation shall not

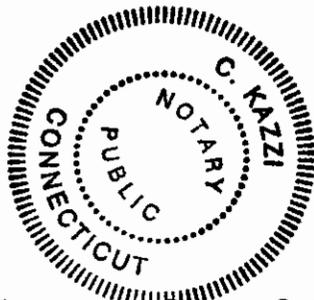

deprive respondent of any other rights that she may have under the laws of the State of Connecticut or of the United States.

8. This Reinstatement Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
9. This Reinstatement Consent Order is effective when accepted and approved by a duly appointed agent of the Department.
10. Respondent has the right to consult with an attorney prior to signing this document.
11. This Reinstatement Consent Order is a matter of public record.
12. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau. 13. This Consent Order embodies the entire agreement of the parties with respect to this case. All previous communications or agreements regarding the subject matter of this consent order, whether oral or written, between the parties are superseded unless expressly incorporated herein or made a part hereof.
