PRELICENSURE CONSENT ORDER

WHEREAS, Stephani Waldron of Hamden, Connecticut (hereinafter "respondent") has applied for licensure to practice as a massage therapist by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 384a of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent agrees that:

1. The Department has at no time issued respondent a license to practice as a massage therapist under the General Statutes of Connecticut, Chapter 384a.
2. From August 1, 2001 until present, respondent practiced as a massage therapist without a Connecticut license.
3. The conduct described above constitutes grounds for the denial of respondent's application for licensure pursuant to §19a-14 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §19a-14 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives the right to a hearing on the merits of respondent's application for licensure.
2. Respondent's license to practice as a massage therapist in the State of Connecticut shall, immediately upon issuance, be reprimanded.

3. Respondent shall pay a civil penalty of two hundred dollars (\$200.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition Number on its face. Said civil penalty shall be payable at the time respondent submits this executed Prelicensure Consent Order to the Department.
4. Respondent shall comply with all state and federal statutes and regulations applicable to respondent's license.
5. Respondent shall notify the Department of any change in respondent's home and/or business address within fifteen (15) days of such change.
6. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Department's Office of Practitioner Licensing and Certification.
7. Respondent understands that this Prelicensure Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Connecticut Department of Public Health in which (1) respondent's compliance with this Prelicensure Consent Order is at issue, or (2) respondent's compliance with §20-206c of the Connecticut General Statutes, as amended, is at issue.
8. This Prelicensure Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Prelicensure Consent Order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any other rights that respondent may have under the laws of the State of Connecticut or of the United States.
9. This Prelicensure Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.

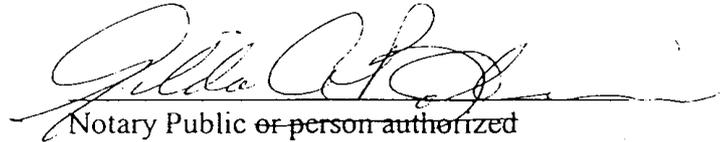

10. This Prelicensure Consent Order is effective when accepted and approved by a duly appointed agent of the Department.
11. Respondent understands this Prelicensure Consent Order is a matter of public record.
12. Respondent has the right to consult with an attorney prior to signing this Prelicensure Consent Order.

I, Stephani Waldron, have read the above Prelicensure Consent Order, and I agree to the terms and allegations set forth therein. I further declare the execution of this Prelicensure Consent Order to be my free act and deed.
