Petition No. 2001-0530-030-005

**REINSTATEMENT CONSENT ORDER**

WHEREAS, James Sanders of Waterbury, CT (hereinafter "respondent") has been issued license number 002055 to practice as an embalmer by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 385 of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent's license expired on May 31, 1995, and respondent has applied to have said license reinstated by the Department pursuant to Chapter 368a of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent agrees that:

1. On May 26, 1993, a Memorandum of Decision was issued against respondent, which suspended his embalmer's license for one year, stayed after three months. It further placed his license on probation for a period of nine months under various terms and conditions, to commence immediately upon completion of the actual suspension.
2. While on probation, respondent failed to comply with certain terms of the Memorandum of Decision in that he falsified official documents and failed to submit affidavits as required.
3. Subsequent to respondent's failure to meet the above terms, a Consent Order was issued effective September 18, 1995, requiring respondent to pay a civil penalty and placing his license on probation for a period of two years.
4. Respondent's license lapsed May 31, 1995, after which he continued to practice.

5. Pursuant to a Memorandum of Decision dated November 12, 1998, respondent was ordered to cease and desist the practice of embalming.
6. On October 16, 1998 respondent submitted an application for reinstatement of his embalmer licensure. Such application was denied pursuant to a Final Memorandum of Decision issued December 19, 2000.
7. The conduct described above constitutes grounds for the denial of respondent's recent application for reinstatement pursuant to §19a-14 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §19a-14 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives the right to a hearing on the merits of his application for reinstatement.
2. Respondent has satisfied the requirements for reinstatement as set forth in Chapter 385 of the General Statutes of Connecticut and his license to practice as an embalmer shall be reinstated upon the effective date of this Reinstatement Consent Order.
3. Respondent's license to practice as an embalmer in the State of Connecticut shall, immediately upon reinstatement, be placed on probation for a period of three (3) years. The probationary period for his embalmer license shall be under the following terms and conditions:
  - a) Respondent shall comply with all federal and state statutes and regulations applicable to his license.
  - b) Respondent shall not own or operate a funeral home for the duration of the probationary period.
  - c) Respondent's practice shall be supervised at all times by a licensed embalmer approved by the Department (hereinafter "supervisor").

- (i) Respondent's supervisor shall meet with him not less than weekly for the first six months of the probationary period and monthly for the remainder of the probationary period.
  - (ii) The supervisor shall have the right to monitor respondent's practice by any reasonable means which he or she deems appropriate. Respondent shall fully cooperate with the supervisor in providing such monitoring.
  - (iii) The supervisor shall forward written reports directly to the Department on a monthly basis for the first six months of the probationary period and on a quarterly basis for the remainder of the probationary period. Such supervisor's reports shall include documentation of dates and durations of meetings with respondent, monitoring techniques utilized, and statement that respondent is practicing with reasonable skill and in accordance with accepted standards of practice.
- d) Respondent shall, within six (6) months of the effective date of this Reinstatement Consent Order, complete a course in ethics approved by the Department.
- 4) Respondent shall notify the Department of any change(s) in his employment within fifteen (15) days of such change.
  - 5) Respondent shall notify the Department of any change(s) in his home and/or business address within fifteen (15) days of such change.
  - 6) Any deviation from the term(s) of this Reinstatement Consent Order without prior written approval of the Department shall constitute a violation. A violation of any term(s) of this Reinstatement Consent Order shall result in the right of the Department in its discretion to immediately deem respondent's embalmer license rescinded. Any extension of time or grace period for reporting granted by the Department shall not be a waiver or preclude the Department's right to take action at a later time. The Department shall not be required to grant future extensions of time or grace periods. Notice of the rescission of the license shall be

sent by the Department to respondent's address of record. Respondent waives any right to a hearing on the issue of violation of the terms of this Reinstatement Consent Order.

- 7) That correspondence and reports required by the terms of this Reinstatement Consent Order are to be addressed to:

- 8) Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Health Systems Regulation of the Department.
- 9) Respondent understands that this Reinstatement Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Connecticut Examining Board of Embalmers and Funeral Directors in which (1) his compliance with this Reinstatement Consent Order is at issue, or (2) his compliance with §20-227 of the Connecticut General Statutes, as amended, is at issue.
