Petition No. 2002-0530-030-018

CONSENT ORDER

WHEREAS, William Iovanne of New Haven (hereinafter "respondent") has been issued license number 002176 to practice as an embalmer by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 385 of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. Between approximately 1997 and 2002, respondent submitted invoices for funerals to the Department of Social Services ("DSS") for payment under the State-Administered General Assistance program ("SAGA"). In at least 12 instances, respondent billed family members for actual funeral costs which exceeded \$4000.00, but reported to DSS that the total funeral costs in each case were below the \$4000.00 maximum allowed for SAGA participation.
2. The above-described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-227, including, but not limited to:
 - a. §20-227(4).

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest the above allegations of wrongdoing but, while admitting no guilt or wrongdoing, agrees that for purposes of this or any future proceedings before the Connecticut Board of Examiners of Embalmers and Funeral Directors (hereinafter "the Board"), this Consent Order shall have the

same effect as if proven and ordered after a full hearing held pursuant to §§19a-10, 19a-14 and 20-227 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14, 19a-17 and 20-227 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives his right to a hearing on the merits of this matter.
2. Respondent's license number 002176 to practice as an embalmer in the State of Connecticut is hereby reprimanded.
3. Respondent shall pay a civil penalty of five thousand dollars (\$5,000.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition Number on the face of the check, and shall be payable at the time respondent submits the executed Consent Order to the Department.
4. Respondent's license shall be placed on probation for a period of one year under the following terms and conditions:
 - a. Respondent shall obtain at his own expense, the services of a consultant, pre-approved by the Department (hereinafter "supervisor"), to conduct a monthly random review of 20 percent (20 %) or ten (10) of respondent's DSS billings and records pertaining to applications of one thousand two hundred dollars (\$1200.00) or less, whichever is the larger number. In the event respondent has ten (10) or fewer such DSS records, the supervisor shall review all of respondent's such DSS records.
 - (1) Respondent's supervisor shall conduct such review and meet with him not less than once every month for the entire probationary period.
 - (2) The supervisor shall have the right to monitor respondent's practice by any other reasonable means which he or she deems appropriate. Respondent shall fully cooperate with the supervisor in providing such monitoring.

- (3) Respondent shall be responsible for providing written supervisor reports directly to the Department quarterly for the entire probationary period. Such supervisor's reports shall include documentation of dates and duration of meetings with respondent, number and a general description of the records reviewed, and any additional monitoring techniques utilized.

5. All correspondence and reports are to be addressed to:

Department of Public Health
Division of Health Systems Regulation

6. All reports required by the terms of this Consent Order shall be due according to a schedule to be established by the Department of Public Health.
7. Respondent shall comply with all state and federal statutes and regulations applicable to his licensure.
8. Respondent shall pay all costs necessary to comply with this Consent Order.
9. Any alleged violation of any provision of this Consent Order may result in the following procedures at the discretion of the Department:
 - a. The Department shall notify respondent in writing by first-class mail that the term(s) of this Consent Order have been violated, provided that no prior written consent for deviation from said term(s) has been granted.
 - b. Said notification shall include the acts or omission(s) which violate the term(s) of this Consent Order.
 - c. Respondent shall be allowed fifteen (15) days from the date of the mailing of notification required in paragraph 9a above to demonstrate to the satisfaction of the

Department that he has complied with the terms of this Consent Order or, in the alternative, that he has cured the violation in question.

- d. If respondent does not demonstrate compliance or cure the violation by the limited fifteen (15) day date certain contained in the notification of violation to the satisfaction of the Department, he shall be entitled to a hearing before the Board which shall make a final determination of the disciplinary action to be taken.
 - e. Evidence presented to the Board by either the Department or respondent in any such hearing shall be limited to the alleged violation(s) of the term(s) of this Consent Order.
10. In the event respondent violates any term of this Consent Order, respondent agrees immediately to refrain from practicing as an embalmer, upon request by the Department, with notice to the Board, for a period not to exceed 45 days. During that time period, respondent further agrees to cooperate with the Department in its investigation of the violation. Respondent further agrees that failure to cooperate with the Department in its investigation during said 45 day period shall constitute grounds for the Department to seek a summary suspension of respondent's license. In any such summary action, respondent stipulates that failure to cooperate with the Department's investigation shall constitute an admission that his conduct constitutes a clear and immediate danger as required pursuant to the General Statutes of Connecticut, sections 4-182(c) and 19a-17(c).
 11. In the event respondent violates any term of this Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of his license before the Board.
 12. In the event respondent is not employed as an embalmer for periods of thirty (30) consecutive days or longer, or is employed as an embalmer for fewer than twenty (20) hours per week, or is employed outside of the State of Connecticut, respondent shall notify

the Department in writing. Such periods of time shall not be counted in reducing the probationary period covered by this Consent Order.

13. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Office of Practitioner Licensing and Certification of the Bureau of Healthcare Systems of the Department.
14. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Board.
15. Respondent agrees that this Consent Order shall be deemed a public document, and the Department's allegations as contained in this Consent Order shall be deemed true in any subsequent proceeding before the Board in which his compliance with this Consent Order or with §20-227 of the General Statutes of Connecticut, as amended, is at issue.
16. Any extension of time or grace period for reporting granted by the Department shall not be a waiver or preclude the Department from taking action at a later time. The Department shall not be required to grant future extensions of time or grace periods.
17. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that he may have under the laws of the State of Connecticut or of the United States.
18. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
19. Respondent permits a representative of the Legal Office of the Bureau of Healthcare Systems to present this Consent Order and the factual basis for this Consent Order to the

Board. Respondent understands that the Board has complete and final discretion as to whether this executed Consent Order is approved or accepted.

20. Respondent understands and agrees that he is responsible for satisfying all of the terms of this Consent Order during vacations and other periods in which he is away from his residence.
21. Respondent has the right to consult with an attorney prior to signing this document.
22. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau, however, the Department represents that at this time it has no knowledge of any criminal investigation being conducted by the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau.
