In re: Scott B. Holmes

Petition No. 2009-20091360

CONSENT ORDER

WHEREAS, Scott B. Holmes of Manchester, Connecticut (hereinafter "respondent") has been issued license number 2265 to practice as an embalmer by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 385 of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. During 2009, respondent was the manager of Homes Funeral Home, Inc. of Manchester, Connecticut (hereinafter "Funeral Home").
2. Petitioner is the widow of decedent H. M., who died during May 2009.
3. On the morning of the death of H.M., members of the family of H.M. were in contact with the Funeral Home.
4. The Funeral Home removed decedent's remains from the hospital to the Funeral Home.
5. Subsequent to that removal, respondent had decedent's remains embalmed, without proper authorization to proceed with embalming, and prior to appropriately providing an appropriate general price list to H.M.'s widow.
6. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-227, including but not limited to:
 - a. §20-227(4); and/or,
 - b. §20-227(5).

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest this matter and agrees that for purposes of this or any future proceedings before the Connecticut Board of Examiners of Embalmers and Funeral Directors (hereinafter "the Board"), this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10 and 19a-14 and 20-227 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14 and 19a-17 and 20-227 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives his right to a hearing on the merits of this matter.
2. Respondent's license number 2265 to practice as an embalmer in the State of Connecticut is hereby reprimanded.
3. Respondent shall pay a civil penalty of one thousand dollars (\$1,000.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition number on the face of the check, and shall be payable at the time respondent submits the executed Consent Order to the Department.
4. Respondent shall comply with all state and federal statutes and regulations applicable to his licensure.
5. Respondent shall pay all costs necessary to comply with this Consent Order.
6. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Practitioner Licensing and Investigations Section of the Healthcare Systems Branch of the Department.
7. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Board.

8. Respondent agrees that this Consent Order shall be deemed a public document, and the Department's allegations as contained in this Consent Order shall be deemed true in any subsequent proceeding before the Board in which his compliance with this Consent Order or with §20-127 of the General Statutes of Connecticut, as amended, is at issue.
9. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Respondent understands that this Consent Order shall not be subject to modification as a result of any claim that the terms contained herein may result in action by third parties, including, but not limited to, healthcare facilities and/or credentialing or licensure boards. Respondent assumes all responsibility for assessing such actions prior to the execution of this document. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that he may have under the laws of the State of Connecticut or of the United States.
10. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
11. Respondent permits a representative of the Legal Office of the Healthcare Quality and Safety Branch to present this Consent Order and the factual basis for this Consent Order to the Board. Respondent understands that the Board has complete and final discretion as to whether this executed Consent Order is approved or accepted.
12. Respondent has the right to consult with an attorney prior to signing this document.
13. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau. The purpose of this Consent

Order is to resolve the pending administrative license disciplinary petition only, and is not intended to affect any civil or criminal liability or defense.

14. This Consent Order embodies the entire agreement of the parties with respect to this case. All previous communications or agreements regarding the subject matter of this consent order, whether oral or written, between the parties are superseded unless expressly incorporated herein or made a part hereof.

I, Scott B. Holmes, have read the above Consent Order, and I stipulate and agree to the terms as set forth therein. I further declare the execution of this Consent Order to be my free act and deed.

Scott B. Holmes
