 - d. bury the remains of S.C. in the casket selected; and/or

3. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-227, including, but not limited to:
 - a. §20-227(2);
 - b. §20-227(4); and/or,
 - c. §20-227(5).

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest the above allegations of wrongdoing but, while admitting no guilt or wrongdoing, agrees that for purposes of this or any future proceedings before the Connecticut Board of Examiners of Embalmers and Funeral Directors (hereinafter "the Board"), this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10, 19a-14 and 20-227 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14, 19a-17 and 20-227 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives his right to a hearing on the merits of this matter.
2. Respondent's license number 002271 to practice as an embalmer in the State of Connecticut is hereby reprimanded.
3. Respondent shall pay a civil penalty of two thousand dollars (\$2,000.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition Number on the face of the check, and shall be payable at the time respondent submits the executed Consent Order to the Department.
4. Respondent's license shall be placed on probation for a period of eighteen months under the following terms and conditions:
 - a. Respondent shall obtain at his own expense, the services of an embalmer or funeral director, pre-approved by the Department (hereinafter "supervisor"), to conduct a monthly random review of twenty percent (20%) or twenty of respondent's client records, whichever is the larger number. In the event respondent has twenty (20) or fewer clients, the supervisor shall review all of respondent's client records.

- (1) Respondent's supervisor shall meet with him not less than once every month for the first three months of his probationary period and quarterly for the remainder of the probationary period.
 - (2) The supervisor shall have the right to monitor respondent's practice by any other reasonable means which he or she deems appropriate. Respondent shall fully cooperate with the supervisor in providing such monitoring.
 - (3) Respondent shall be responsible for providing written supervisor reports directly to the Department monthly for the first three months of the probationary period and quarterly for the remainder of the probationary period. Such supervisor's reports shall include documentation of dates and duration of meetings with respondent, number and a general description of the client records, additional monitoring techniques utilized, and statement that respondent is practicing with reasonable skill and safety.
- b. During the probationary period, respondent shall attend and successfully complete a course in ethics, pre-approved by the Department. Within one month of the completion of such coursework, respondent shall provide the Department with proof, to the Department's satisfaction, of the successful completion of such course(s).

7. Respondent shall comply with all state and federal statutes and regulations applicable to his licensure.
8. Respondent shall pay all costs necessary to comply with this Consent Order.
9. Any alleged violation of any provision of this Consent Order may result in the following procedures at the discretion of the Department:

 - d. If respondent does not demonstrate compliance or cure the violation by the limited fifteen (15) day date certain contained in the notification of violation to the satisfaction of the Department, he shall be entitled to a hearing before the Board which shall make a final determination of the disciplinary action to be taken.
 - e. Evidence presented to the Board by either the Department or respondent in any such hearing shall be limited to the alleged violation(s) of the term(s) of this Consent Order.

10. During that time period, respondent further agrees to cooperate with the Department in its investigation of the violation. Respondent further agrees that failure to cooperate with the Department in its investigation during said 45 day period shall constitute grounds for the Department to seek a summary suspension of respondent's license. In any such summary action, respondent stipulates that his failure to cooperate with the Department's investigation shall constitute an admission that his conduct constitutes a clear and immediate danger as required pursuant to the General Statutes of Connecticut, sections 4-182(c) and 19a-17(c).
11. In the event respondent violates any term of this Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of his license before the Board.

Such periods of time shall not be counted in reducing the probationary period covered by this Consent Order.
13. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Health Systems Regulation of the Department.
14. ✓ This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Board.

15. Respondent understands this Consent Order may be considered as a public document and evidence of the above admitted violations in any proceeding before the Board in which his compliance with this Consent Order or with §20-227 of the General Statutes of Connecticut, as amended, is at issue.
16. Any extension of time or grace period for reporting granted by the Department shall not be a waiver or preclude the Department from taking action at a later time. The Department shall not be required to grant future extensions of time or grace periods.
17. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that he may have under the laws of the State of Connecticut or of the United States.
18. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
19. Respondent permits a representative of the Legal Office of the Bureau of Regulatory Services to present this Consent Order and the factual basis for this Consent Order to the Board. Respondent understands that the Board has complete and final discretion as to whether this executed Consent Order is approved or accepted.
20. Respondent understands and agrees that he is responsible for satisfying all of the terms of this Consent Order during vacations and other periods in which he is away from his residence.
21. Respondent has the right to consult with an attorney prior to signing this document.
