WHEREAS, Robert Bruzy of Enfield, Connecticut (hereinafter "respondent") has been issued license number 002653 to practice as a embalmer by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 385 of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. During 2010, respondent was employed as an embalmer at the Leete-Stevens Enfield Chapels, of Enfield, Connecticut (hereinafter "Leete-Stevens").
2. During October 2012, Leete-Stevens was contacted by a niece of decedent G.H. concerning funeral arrangement for her uncle, decedent, who had died on October 15, 2012.
3. Respondent was made aware of the possible existence of G.H.'s son at the arrangement conference.
4. Respondent failed to attempt to ascertain whether the decedent's son was still alive, or to attempt to locate the son.
5. Respondent made the funeral arrangements for G.H., who subsequently was buried by Leete-Stevens.
6. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-227.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest this matter and agrees that for purposes of this or any future proceedings before the Connecticut Board of Examiners of Embalmers and Funeral Directors (hereinafter "the Board"), this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10 and 19a-14 and 20-227 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14 and 19a-17 and 20-227 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives his right to a hearing on the merits of this matter.
2. Respondent's license number 002653 to practice as an embalmer in the State of Connecticut is hereby reprimanded.
3. Respondent shall comply with all state and federal statutes and regulations applicable to his licensure.
4. Respondent shall pay all costs necessary to comply with this Consent Order.
5. In the event respondent violates any term of this Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of his license before the Board.
6. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Practitioner Licensing and Investigations Section of the Healthcare Quality and Safety Branch of the Department.
7. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Board.
9. Respondent agrees that this Consent Order shall be deemed a public document, and the Department's allegations as contained in this Consent Order shall be deemed true in any

subsequent proceeding before the Board in which his compliance with this Consent Order or with §20-227 of the General Statutes of Connecticut, as amended, is at issue.

10. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Respondent understands that this Consent Order shall not be subject to modification as a result of any claim that the terms contained herein may result in action by third parties, including, but not limited to, healthcare facilities and/or credentialing or licensure boards. Respondent assumes all responsibility for assessing such actions prior to the execution of this document. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that he may have under the laws of the State of Connecticut or of the United States.
11. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
12. Respondent permits a representative of the Legal Office of the Healthcare Quality and Safety Branch to present this Consent Order and the factual basis for this Consent Order to the Board. Respondent understands that the Board has complete and final discretion as to whether this executed Consent Order is approved or accepted.
13. Respondent has the right to consult with an attorney prior to signing this document.
14. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau. The purpose of this Consent Order is to resolve the pending administrative license disciplinary petition only, and is not intended to affect any civil or criminal liability or defense.

15. This Consent Order embodies the entire agreement of the parties with respect to this case. All previous communications or agreements regarding the subject matter of this consent order, whether oral or written, between the parties are superseded unless expressly incorporated herein or made a part hereof.
