BUREAU OF REGULATORY SERVICES

In re: Keith Erickson, S.S.I.

Petition No. 960118-33-001

CONSENT ORDER

WHEREAS, Keith Erickson of Cheshire, CT (hereinafter "respondent") has been issued license number 003317 to practice as a subsurface sewage disposal system installer by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 20-341a of the Connecticut General Statutes, as amended; and,

WHEREAS, the Department alleges that:

1. In 1995, respondent performed repairs on a subsurface sewage disposal system installed at 35 Andrew Road, Hamden, CT. In performing such repairs, respondent failed to obtain permits prior to repairing the system, and failed to notify the local health district of said repairs.
2. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-341f(d), including but not limited to:
  - a. §20-341f(d)(1), and/or
  - b. §20-341f(d)(2).

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest the above allegations of wrongdoing but, while admitting no guilt or wrongdoing, agrees that for purposes of this or any future proceedings before the Department of Public Health (hereinafter "the Department"), this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10, 19a-14 and 20-341f of the General Statutes of Connecticut.

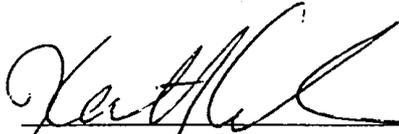

NOW THEREFORE, pursuant to §§19a-14, 19a-17 and 20-341f of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives his right to a hearing on the merits of this matter.
2. Respondent's license number 003317 to practice as a subsurface sewage disposal systems installer in the State of Connecticut is hereby reprimanded.
3. Respondent shall pay a civil penalty of two hundred fifty dollars (\$250.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition Number on the face of the check, and shall be payable at the time respondent submits the executed Consent Order to the Department.
4. Respondent shall comply with all state and federal statutes and regulations applicable to his licensure.
5. Respondent shall pay all costs necessary to comply with this Consent Order.
6. In the event respondent violates any term of this Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of his license before the Department.
7. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Health Systems Regulation of the Department.
8. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Department.
9. Respondent agrees that this Consent Order shall be deemed a public document, and the Department's allegations as contained in this Consent Order shall be deemed true in any subsequent proceeding before the Department in which his compliance with §20-341f of the General Statutes of Connecticut, as amended, is at issue.

10. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that [s/he] may have under the laws of the State of Connecticut or of the United States.
11. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
12. Respondent permits a representative of the Legal Office of the Bureau of Regulatory Services to present this Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.
13. Respondent has the right to consult with an attorney prior to signing this document.
