CONSENT ORDER

WHEREAS, Brenda Romaniello, D.V.M. of Waterbury, Connecticut (hereinafter "respondent") has been issued license number 002533 to practice veterinary medicine by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 384 of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. During February 2005, Mario and Elaine Giconi brought their puppy, Rosie to the Connecticut Veterinary Center in West Hartford, CT due to an injury to her right hind leg.
2. Respondent provided care and treatment to Rosie, a dog owned by the Giconi family, at the Connecticut Veterinary Center
3. Respondent examined Rosie and diagnosed a stretch injury of the anterior cruciate ligament. Respondent prescribed an anti-inflammatory, gave instructions for gentle massage, and told the owners to follow-up with Rosie's regular veterinarian in one week. Respondent did not recommend an X-ray.
4. At the follow-up visit, Rosie's veterinarian recommended an X-ray be performed. The X-ray clearly revealed a displaced fracture of the tibia and fibula.
5. In providing care and treatment to Rosie, respondent negligently and/or unskillfully failed to properly diagnose and treat Rosie.
6. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-202.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest this matter and agrees that for purposes of this or any future proceedings before the Connecticut Board of Veterinary Medicine (hereinafter "the Board"), this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10, 19a-14, and 20-202 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14, 19a-17, and 20-202 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives her right to a hearing on the merits of this matter.
2. Respondent's license 002533 shall be placed on probation for one year under the following terms and conditions:
 - a. Respondent shall obtain at her own expense, the services of a veterinarian, pre-approved by the Department (hereinafter "supervisor"), to conduct a monthly random review of twenty percent (20%) or ten (10) of respondent's cases, whichever is the larger number, for the first six months of her probation, and quarterly thereafter for the remainder of the probation.
 - (1) Respondent shall meet with the supervisor not less than once every month for the first six months of her probation, and not less than once every quarter for the remainder of her probation.
 - (2) The supervisor shall have the right to monitor respondent's practice by any other reasonable means which he or she deems appropriate. Respondent shall fully cooperate with the supervisor in providing such monitoring.
 - (3) Respondent shall be responsible for providing written supervisor reports directly to the Department monthly for the first six months of her probationary period and quarterly thereafter. Such supervisor's reports shall include

documentation of dates and duration of meetings with respondent, number and a general description of the patient records and patient medication orders, additional monitoring techniques utilized, and statement that respondent is practicing with reasonable skill and safety.

- b. During the probationary period, respondent shall attend and successfully complete a total of twelve (12) hours of coursework in the diagnosis of limb injuries, pre-approved by the Department. Within thirty days of the completion of such coursework, respondent shall provide the Department with proof, to the Department's satisfaction, of the successful completion of such course(s).
3. All correspondence and reports are to be addressed to:

4. All reports required by the terms of this Consent Order shall be due according to a schedule to be established by the Department of Public Health.
5. Respondent shall comply with all state and federal statutes and regulations applicable to her licensure.
6. Respondent shall pay all costs necessary to comply with this Consent Order.
7. Any alleged violation of any provision of this Consent Order may result in the following procedures at the discretion of the Department:
 - a. The Department shall notify respondent in writing by first-class mail that the term(s) of this Consent Order have been violated, provided that no prior written consent for deviation from said term(s) has been granted.
 - b. Said notification shall include the acts or omission(s) which violate the term(s) of this Consent Order.

- c. Respondent shall be allowed fifteen (15) days from the date of the mailing of notification required in paragraph 7a above to demonstrate to the satisfaction of the Department that she has complied with the terms of this Consent Order or, in the alternative, that she has cured the violation in question.
 - d. If respondent does not demonstrate compliance or cure the violation by the limited fifteen (15) day date certain contained in the notification of violation to the satisfaction of the Department, she shall be entitled to a hearing before the Board which shall make a final determination of the disciplinary action to be taken.
 - e. Evidence presented to the Board by either the Department or respondent in any such hearing shall be limited to the alleged violation(s) of the term(s) of this Consent Order.
8. In the event respondent violates any term of this Consent Order, respondent agrees immediately to refrain from practicing as a veterinarian, upon request by the Department, with notice to the Board, for a period not to exceed 45 days. During that time period, respondent further agrees to cooperate with the Department in its investigation of the violation and to submit to and complete a medical, psychiatric and/or psychological evaluation, if requested to do so by the Department; and, that the results of the evaluation shall be submitted directly to the Department. Respondent further agrees that failure to cooperate with the Department in its investigation during said 45-day period shall constitute grounds for the Department to seek a summary suspension of respondent's license. In any such summary action, respondent stipulates that failure to cooperate with the Department's investigation shall constitute an admission that her conduct constitutes a clear and immediate danger as required pursuant to the General Statutes of Connecticut, sections 4-182(c) and 19a-17(c).

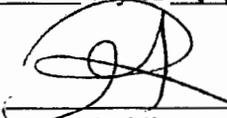

9. In the event respondent violates any term of this Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of her license before the Board.
10. In the event respondent is not employed as a veterinarian for periods of thirty (30) consecutive days or longer, or is employed as a veterinarian less than twenty (20) hours per week, or is employed outside of the State of Connecticut, respondent shall notify the Department in writing. Such periods of time shall not be counted in reducing the probationary period covered by this Consent Order.
11. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Office of Practitioner Licensing and Certification of the Bureau of Healthcare Systems of the Department.
12. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Board.
13. Respondent understands this Consent Order may be considered as a public document and evidence of the above admitted violations in any proceeding before the Board in which her compliance with this Consent Order is at issue.
14. Any extension of time or grace period for reporting granted by the Department shall not be a waiver or preclude the Department from taking action at a later time. The Department shall not be required to grant future extensions of time or grace periods.
15. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that she may have under the laws of the State of Connecticut or of the United States.

16. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
17. Respondent permits a representative of the Legal Office of the Bureau of Healthcare Systems to present this Consent Order and the factual basis for this Consent Order to the Board. Respondent understands that the Board has complete and final discretion as to whether this executed Consent Order is approved or accepted.
18. Respondent understands and agrees that she is responsible for satisfying all of the terms of this Consent Order during vacations and other periods in which she is away from her residence.
19. Respondent has the right to consult with an attorney prior to signing this document.
20. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau.

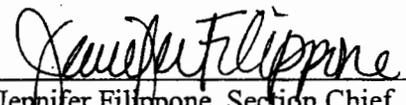

I, Brenda Romaniello, have read the above Consent Order, and I stipulate and agree to the terms as set forth therein. I further declare the execution of this Consent Order to be my free act and deed.
