WHEREAS, respondent hereby admits as follows:

1. Respondent offered and/or provided lead consultant contractor services from approximately April 1997 to May 2003 without a license to do so.
2. That the conduct described above constitutes grounds for denial of respondent's application for reinstatement pursuant to §19a-14(a)(6) of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-17 and 20-440 of the General Statutes of Connecticut and §20-478-3 of the Regulations of Connecticut State Agencies, as amended, respondent hereby stipulates and agrees as follows:

1. Respondent waives its right to a hearing on the merits of this matter.
2. Respondent's license to practice as a lead consultant contractor shall be reinstated when it satisfies the requirements for reinstatement of its license, as set forth in §§19a-14-1 through 19a-14-5, inclusive, of the Regulations of Connecticut State Agencies, and this Reinstatement Consent Order is executed by all parties.
3. Respondent shall pay a civil penalty of three thousand dollars (\$3,000.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." Respondent shall provide, at no cost to the Department, one Lead Inspector Risk Assessor Training Course (consisting of a five-day session consisting of no less than forty (40) training hours) for state and/or local code enforcement officials, upon request of the Department. The Department shall be entitled to register up to thirty (30) state and/or local code enforcement officials for such training course. The date(s) and location of the training course shall be mutually agreeable to the Department and respondent.
 - b. Respondent's lead consultant contractor's license shall be placed on probation until such time as it provides the five-day training course specified in paragraph 4(a) above.

6. Respondent shall comply with all federal and state statutes and regulations applicable to its license.
7. Respondent shall notify the Department of any change in its business address within fifteen (15) days of such change.

9. Respondent shall pay all costs necessary to comply with this Reinstatement Consent Order.
10. Any alleged violation of any provision of this Reinstatement Consent Order may result in the following procedures at the discretion of the Department:

 - d. If respondent does not demonstrate compliance or cure the violation by the limited fifteen (15) day date certain contained in the notification of violation to the satisfaction of the Department, it shall be entitled to a hearing before the Department which shall make a final determination of the disciplinary action to be taken.

- e. Evidence presented to the Department by either the Department or respondent in any such hearing shall be limited to the alleged violation(s) of the term(s) of this Reinstatement Consent Order.
11. In the event respondent violates any term of this Reinstatement Consent Order, respondent agrees immediately to refrain from practicing as a lead consultant contractor, upon request by the Department, for a period not to exceed 45 days. During that time period, respondent further agrees to cooperate with the Department in its investigation of the violation. Respondent further agrees that failure to cooperate with the Department in its investigation during said 45 day period shall constitute grounds for the Department to seek a summary suspension of respondent's license. In any such summary action, respondent stipulates that failure to cooperate with the Department's investigation shall constitute an admission that its conduct constitutes a clear and immediate danger as required pursuant to the General Statutes of Connecticut, sections 4-182(c) and 19a-17(c).
12. In the event respondent violates any term of this Reinstatement Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of its license before the Department.
13. Respondent understands this Reinstatement Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Department in which (1) its compliance with this Reinstatement Consent Order is at issue, or (2) its compliance with Chapters 400c or 368a of the General Statutes of Connecticut, as amended, is at issue.
14. Any extension of time or grace period for reporting granted by the Department shall not be a waiver or preclude the Department from taking action at a later time. The Department shall not be required to grant future extensions of time or grace periods.

15. This Reinstatement Consent Order and the terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Reinstatement Consent Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the Connecticut General Statutes provided that this stipulation shall not deprive respondent of any other rights that it may have under the laws of the State of Connecticut or of the United States.

17. This Reinstatement Consent Order is effective when accepted and approved by a duly appointed agent of the Department.
18. Respondent has the right to consult with an attorney prior to signing this document.
19. This Reinstatement Consent Order is a matter of public record.
