CEASE AND DESIST CONSENT ORDER

WHEREAS, the Department of Public Health (hereinafter "the Department") is a state agency charged with the regulation of the professional practice of lead consultant contractors;

WHEREAS, Environmental Training & Consulting, Inc. of Wallingford, Connecticut (hereinafter "respondent") was issued license number 001670 to practice as a lead consultant contractor by the Department of Public Health (hereinafter "the Department"), pursuant to Chapter 400c of the General Statutes of Connecticut. Said license expired on February 28, 1999, and respondent has not had a valid license to practice as a lead consultant contractor since that date;

WHEREAS, the General Statutes of Connecticut, §20-475 provides that no entity shall engage in the practice of a lead consultant contractor in this State until it is issued a license by the Department;

WHEREAS, respondent admits that, in or about the Summer of 2001, respondent engaged in the practice of a lead consultant contractor without having a valid license to do so, when respondent contracted with the owner of a residence at 815 White Plains Road, Trumbull, CT (hereinafter "the residence") to provide lead inspection and lead abatement planning/project design services in connection with lead hazard control work on the exterior of the residence by a third-party lead contractor;

WHEREAS, the Department is authorized by the General Statutes of Connecticut §§19a-11 and 19a-14(c) to issue an appropriate order to any person found to be violating an applicable statute; and,

WHEREAS, respondent agrees that the above allegations shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-9 and 19a-10 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to Chapter 400c and §19a-11 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives its right to a hearing on the merits of this matter.
2. Respondent agrees to cease and desist in the practice of a lead consultant contractor or in any other practice that requires licensure in the State of Connecticut without first obtaining an appropriate license.
3. This Cease and Desist Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, that said Consent Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any other rights that it may have under the laws of the State of Connecticut or of the United States.

4. This Cease and Desist Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
5. This Cease and Desist Consent Order is effective after the last signatory is affixed to this document.
6. Respondent permits a representative of the Legal Office of the Bureau of Regulatory Services of the Department to present this Cease and Desist Consent Order and the factual basis for said Cease and Desist Consent Order to the Department. Respondent understands that said Department has complete and final discretion as to whether or not an executed Cease and Desist Consent Order is approved or granted.
7. Respondent understands that it has the right to consult with an attorney prior to signing this document.
8. This Cease and Desist Consent Order is a matter of public record.
9. Respondent understands that this Cease and Desist Consent Order may be considered evidence of the above admitted violations in any subsequent proceeding in which (1) its compliance with this Cease and Desist Consent Order is at issue, or (2) its compliance with the provisions of Title 20 of the Connecticut General Statutes is at issue.
