Petition No. 2011-21

CONSENT ORDER

WHEREAS, Abide Inc. of East Longmeadow, Massachusetts (hereinafter "respondent") has been issued license number 000072 to practice as an asbestos by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 400a of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. In or about October 2011, respondent performed an asbestos abatement project in connection with the proposed demolition of a former mill located at 400 Hartford Pike, Dayville, CT (hereinafter "the property"). On or about October 6, 2011, respondent's workers removed several twenty foot lengths of asbestos insulated pipes by cutting each end with a sawzall and by failing to comply with Connecticut's standards applicable to the performance of asbestos abatement, which standards are found at §§19a-332a-1 to 19a-332a-16, inclusive, of the Regulations of Connecticut State Agencies (hereinafter, "the Regulations"). Said removal was conducted without using any of the engineering controls required by the regulations, including, without limitation, the following:
 - a. airtight barriers, as required by §19a-332a-5(c) of the Regulations;
 - b. polyethylene sheeting, as required by §19a-332a-5(e) of the Regulations;
 - c. negative pressure ventilation units, as required by §19a-332a-5(h) of the Regulations; and/or

d. wetting with an amended water solution and placement of asbestos waste in leak-tight containers, as required by §19a-332a-5(j) of the Regulations.

2. The above described facts constitute grounds for disciplinary action pursuant to, without limitation, Chapter 400a and §19a-332a(b) of the General Statutes of Connecticut, taken in conjunction with §§19a-332a-1, 19a-332a-2, 19a-332a-5(c), 19a-332a-5(e), 19a-332a-5(h), 19a-332a-5(j) and/or 20-440-6(b) of the Regulations.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest the above allegations of wrongdoing but, while admitting no guilt or wrongdoing, agrees that for purposes of this or any future proceedings before the Department, this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10 and 19a-14 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14 and 19a-17 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives its right to a hearing on the merits of this matter.
2. Respondent's license number 000072 to practice as an asbestos contractor in the State of Connecticut is hereby reprimanded.
3. Respondent shall pay a civil penalty of six thousand dollars (\$6,000.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition Number on the face of the check, and shall be payable at the time respondent submits the executed Consent Order to the Department.
4. Respondent shall comply with all state and federal statutes and regulations applicable to its licensure.

5. Respondent shall pay all costs necessary to comply with this Consent Order.
6. This Consent Order is effective on the date this Consent Order is accepted by the Department.
7. Respondent agrees that this Consent Order shall be deemed a public document, and the Department's allegations as contained in this Consent Order shall be deemed true in any subsequent proceeding before the Department in which its compliance with this Consent Order or with Chapters 400a or 368f of the General Statutes of Connecticut, as amended, is at issue.
8. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Respondent understands that this Consent Order shall not be subject to modification as a result of any claim that the terms contained herein may result in action by third parties, including, but not limited to, healthcare facilities and/or credentialing or licensure boards. Respondent assumes all responsibility for assessing such actions prior to the execution of this document. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that it may have under the laws of the State of Connecticut or of the United States.
9. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
10. Respondent permits a representative of the Legal Office of the Healthcare Quality and Safety Branch to present this Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.

11. Respondent has the right to consult with an attorney prior to signing this document.
12. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the State's Attorney's Office where the allegation occurred, or Bureau Chief of the applicable unit in the Chief State's Attorney's Office. The purpose of this Consent Order is to resolve the pending administrative license disciplinary petition only, and is not intended to affect any civil or criminal liability or defense.
13. This Consent Order embodies the entire agreement of the parties with respect to this case. All previous communications or agreements regarding the subject matter of this consent order, whether oral or written, between the parties are superseded unless expressly incorporated herein or made a part hereof.
