CONSENT ORDER

WHEREAS, Astech-Marmon, Inc. of Bridgeport, CT (hereinafter "respondent") has been issued license number 000181 to practice as an asbestos contractor by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 400a of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent admits that:

1. On or about February 14, 2000 respondent was the licensed asbestos contractor for an asbestos abatement project at 406 Orange Street, New Haven, CT (hereinafter "the property"). The asbestos abatement project involved the removal of approximately 66 linear feet of asbestos pipe insulation from a residence on the property.
2. On or about said date, respondent, in connection with the asbestos abatement project at the property:
 - a. failed to cover all wall surfaces in the work area with a minimum of two layers of four (4) mil polyethylene sheeting. Instead, respondent's workers covered a portion of one of the walls with a single layer of polyethylene sheeting and failed to seal several breaches in the polyethylene sheeting;

- b. failed to satisfy Connecticut's regulatory requirements pertaining to recordkeeping by failing to record a log of control of access to the asbestos abatement project work area;
 - c. failed to equip the work area with a worker decontamination facility consisting of a clean room, a shower room and an equipment room, with each room separated from the other and from the work area by airlocks to prevent the free passage of air or asbestos fiber; and
 - d. failed to provide a shower as part of the worker decontamination system.
2. The above described facts constitute grounds for disciplinary action pursuant to Chapter 400a and §§19a-332 and 19a-332a(b) of the General Statutes of Connecticut, taken in conjunction with the Regulations of Connecticut State Agencies (hereinafter "the Regulations") §§19a-332a-1, 19a-332a-2, 19a-332a-4(b), 19a-332a-5(c), 19a-332a-5(e), 19a-332a-6(a) and 20-440-6(b).

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest this matter and agrees that for purposes of this or any future proceedings before the Department, this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10, 19a-14 and Chapter 400a of the General Statutes of Connecticut.

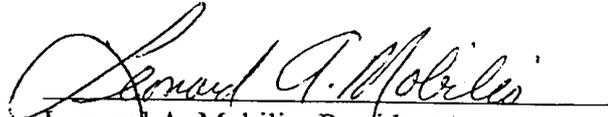

NOW THEREFORE, pursuant to §§19a-14, 19a-17 and Chapter 400a of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

The check shall reference the Petition Number on the face of the check, and shall be payable at the time respondent submits the executed Consent Order to the Department.

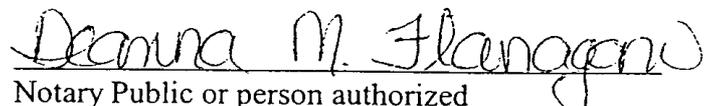

4. Respondent shall comply with all state and federal statutes and regulations applicable to its licensure.
5. Respondent shall pay all costs necessary to comply with this Consent Order.
6. This Consent Order is effective on the date this Consent Order is accepted and ordered by the Department.
7. Respondent understands this Consent Order may be considered as a public document and evidence of the above admitted violations in any proceeding before the Department in which its compliance with this Consent Order or with Chapters 400a or 3681 of the General Statutes of Connecticut, as amended, is at issue.
8. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that it may have under the laws of the State of Connecticut or of the United States.
9. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
10. Respondent permits a representative of the Legal Office of the Bureau of Regulatory Services to present this Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.
