Petition No. 20000406-053-013

CONSENT ORDER

WHEREAS, Talevi Enterprises, Inc. of Berlin, CT (hereinafter "respondent") has been issued license number 000207 to practice as an asbestos contractor by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 400a of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent admits that:

1. In or about October 1999, respondent was the licensed asbestos contractor for an asbestos abatement project at 52 Hillsboro Drive, West Hartford, CT (hereinafter "the property"). Said project involved the removal of asbestos containing insulating panels from a boiler in the basement of a house on the property. Said insulation was removed intact and the total amount of the insulating material was approximately fifteen square feet.
2. On or about October 4, 1999, during a Department inspection of the asbestos abatement project at the property, respondent failed to:
 - a. ensure that the work area was equipped with a worker decontamination facility consisting of a clean room, a shower room and an equipment room, with each room separated from the other and from the work area by airlocks to prevent the free passage of air or asbestos fibers; and

- b. provide a shower as part of the worker decontamination system.
3. The above described facts constitute grounds for disciplinary action pursuant to Chapter 400a and §19a-332a(b) of the General Statutes of Connecticut, taken in conjunction with §§19a-332a-1, 19a-332a-2, 19a-332a-6(a) and 20-440-6 of the Regulations of Connecticut State Agencies.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest this matter and agrees that for purposes of this or any future proceedings before the Department, this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10, 19a-14 and Chapter 400a of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14, 19a-17 and Chapter 400a of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives its right to a hearing on the merits of this matter.
2. Respondent's license number 000207 to practice as an asbestos contractor in the State of Connecticut is hereby reprimanded.
3. Respondent shall pay a civil penalty of four-hundred and fifty dollars (\$450.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition Number on the face of the check, and shall be payable at the time respondent submits the executed Consent Order to the Department.
4. Respondent shall comply with all state and federal statutes and regulations applicable to its licensure.
5. Respondent shall pay all costs necessary to comply with this Consent Order.
6. This Consent Order is effective on the date this Consent Order is accepted and ordered by the Department.

7. Respondent understands this Consent Order may be considered as a public document and evidence of the above admitted violations in any proceeding before the Department in which its compliance with this Consent Order or with Chapters 400a or 368l of the General Statutes of Connecticut, as amended, is at issue.
8. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that it may have under the laws of the State of Connecticut or of the United States.
9. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
10. Respondent permits a representative of the Legal Office of the Bureau of Regulatory Services to present this Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.
11. Respondent has the right to consult with an attorney prior to signing this document.
