In re: Peter Talbot, L.C.S.W.

Petition No. 2009-0316-058-003

CONSENT ORDER

WHEREAS, Peter Talbot of Madison, Connecticut (hereinafter "respondent") has been issued license number 001877 to practice licensed clinical social work by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 383b of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. During February 2009, respondent practiced beyond the permissible scope of practice when performing psychological and/or intelligence testing on a patient.
2. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-195p.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest the above allegations of wrongdoing but, while admitting no guilt or wrongdoing, agrees that for purposes of this or any future proceedings before the Department of Public Health (hereinafter "the Department"), this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-14, 19a-17 and 20-195p of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14, 19a-17 and 20-195p of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives his right to a hearing on the merits of this matter.
2. Respondent's license number 001877 to practice as a clinical social worker in the State of Connecticut is hereby reprimanded.
3. Respondent shall cease and desist in any professional activities beyond the scope of practice of clinical social work.
4. Respondent shall comply with all state and federal statutes and regulations applicable to his licensure.
5. Respondent shall pay all costs necessary to comply with this Consent Order.
6. Any alleged violation of any provision of this Consent Order may result in the following procedures at the discretion of the Department:
 - a. The Department shall notify respondent in writing by first-class mail that the term(s) of this Consent Order have been violated, provided that no prior written consent for deviation from said term(s) has been granted.
 - b. Said notification shall include the acts or omission(s) which violate the term(s) of this Consent Order.
 - c. Respondent shall be allowed fifteen (15) days from the date of the mailing of notification required in paragraph 6a above to demonstrate to the satisfaction of the Department that he has complied with the terms of this Consent Order or, in the alternative, that he has cured the violation in question.
 - d. If respondent does not demonstrate compliance or cure the violation within the fifteen (15) days specified in the notification of violation to the satisfaction of the Department, he shall be entitled to a hearing before the Department which shall make a final determination of the disciplinary action to be taken.
 - e. Evidence presented to the Department by either the Department or respondent in any such hearing shall be limited to the alleged violation(s) of the term(s) of this Consent Order.

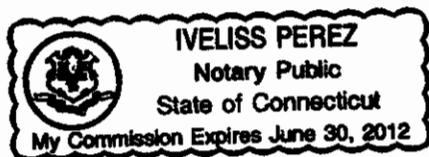

7. In the event respondent violates any term of this Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of his license.
8. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Practitioner Licensing and Investigations Section of the Healthcare Systems Branch of the Department.
9. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Department.
10. Respondent agrees that this Consent Order shall be deemed a public document, and the Department's allegations as contained in this Consent Order shall be deemed true in any subsequent proceeding before the Department in which his compliance with this Consent Order or with §20-195p of the General Statutes of Connecticut, as amended, is at issue.
11. Further, respondent understands that the discipline imposed by this Consent Order shall be reported to the National Practitioner Data Bank.
11. In the event respondent violates a term of this Consent Order, respondent agrees immediately to refrain from practicing as a clinical social worker, upon request by the Department, for a period not to exceed 45 days. During that time period, respondent further agrees to cooperate with the Department in its investigation of the violation. Respondent further agrees that failure to cooperate with the Department in its investigation during said 45 day period shall constitute grounds for the Department to seek a summary suspension of respondent's license. In any such summary action, respondent stipulates that failure to cooperate with the Department's investigation shall be considered by the Department and shall, as a matter of law, constitute a clear and immediate danger as required pursuant to Connecticut General Statutes, sections 4-182(c) and 19a-17(c). The Department and respondent understand that the Department has complete and final discretion as to whether a summary suspension is ordered.

13. Any extension of time or grace period for reporting granted by the Department shall not be a waiver or preclude the Department from taking action at a later time. The Department shall not be required to grant future extensions of time or grace periods.
14. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that he may have under the laws of the State of Connecticut or of the United States.
15. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
16. Respondent permits a representative of the Legal Office of the Healthcare Systems Branch to present this Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.
17. Respondent has the right to consult with an attorney prior to signing this document.
18. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau. The purpose of this Consent Order is to resolve the pending administrative license disciplinary petition only, and is not intended to affect any civil or criminal liability or defense.
19. This Consent Order embodies the entire agreement of the parties with respect to this case. All previous communications or agreements regarding the subject matter of this consent order, whether oral or written, between the parties are superseded unless expressly incorporated herein or made a part hereof.

I, Peter Talbot, have read the above Consent Order, and I stipulate and agree to the terms as set forth therein. I further declare the execution of this Consent Order to be my free act and deed.
