Petition No. 2009-20091444

CONSENT ORDER

WHEREAS, Robert A. Page of New Haven, Connecticut (hereinafter "respondent") has been issued license number 001952 to practice as a licensed clinical social worker by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 383b of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. At all relevant times respondent worked as a licensed clinical social worker at Mental Health Associates, L.L.C. in New Haven, Connecticut (hereinafter "the facility"). During the course of 2005 through 2007, respondent rendered clinical services to a minor. During this timeframe, respondent failed to adequately inform the child's mother regarding specifics of insurance coverage for respondent's clinical services and/or bill appropriately for said services.
2. The above-described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-195p.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest the above allegations of wrongdoing but, while admitting no guilt or wrongdoing, agrees that for

purposes of this or any future proceedings before the Department, this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10, 19a-14 and 20-195p of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14, 19a-17 and 20-195p of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives his right to a hearing on the merits of this matter.
2. Respondent's license number 001952 to practice as a licensed clinical social worker in the State of Connecticut is hereby reprimanded.
3. Respondent shall comply with all state and federal statutes and regulations applicable to his licensure.
4. Respondent shall pay all costs necessary to comply with this Consent Order.
5. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Department.
6. Respondent agrees that this Consent Order shall be deemed a public document, and the Department's allegations as contained in this Consent Order shall be deemed true in any subsequent proceeding before the Department in which his compliance with this Consent Order or with §20-195p of the General Statutes of Connecticut, as amended, is at issue. Further, respondent understands that any discipline imposed by this Consent Order shall be reported to the National Practitioner Data Bank.
7. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Respondent understands that this Consent Order shall not be subject to modification as a result of any claim that the terms contained herein may result in action by third parties, including, but not limited to, healthcare facilities and/or credentialing or licensure boards. Respondent assumes all

responsibility for assessing such actions prior to the execution of this document. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that he may have under the laws of the State of Connecticut or of the United States.

8. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
9. Respondent permits a representative of the Legal Office of the Healthcare Quality and Safety Branch to present this Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.
10. Respondent has the right to consult with an attorney prior to signing this document.
11. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the State's Attorney's Office where the allegation occurred or Bureau Chief of the applicable unit in the Chief State's Attorney's Office. The purpose of this Consent Order is to resolve the pending administrative license disciplinary petition only, and is not intended to affect any civil or criminal liability or defense.
12. This Consent Order embodies the entire agreement of the parties with respect to this case. All previous communications or agreements regarding the subject matter of this consent order, whether oral or written, between the parties are superseded unless expressly incorporated herein or made a part hereof.

I, Robert A. Page, have read the above Consent Order, and I stipulate and agree to the terms as set forth therein. I further declare the execution of this Consent Order to be my free act and deed.
