**CONSENT ORDER**

WHEREAS, Ellen Deckoff, L.C.S.W of Trumbull, Connecticut (hereinafter "respondent") has been issued license number 002231 to practice as a licensed clinical social worker by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 383b of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent admits that:

1. In or about March, 1998, respondent issued and disseminated a report regarding her treatment of the minor-patient, G.L, without obtaining a release of information from the minor-patient's father and stepmother.
2. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-195p.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest this matter and agrees that for purposes of this or any future proceedings before the Department, this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-14 and 20-195p of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-14 19a-17 and 20-195p of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives her right to a hearing on the merits of this matter.
2. Respondent's license shall be placed on probation for a period of one year under the following terms and conditions:
  - a. Respondent shall obtain at her own expense, the services of a licensed clinical social worker, pre-approved by the Department (hereinafter "supervisor"), to conduct a quarterly random review of twenty percent 20% or ten (10) of respondent's patient records, whichever is the larger number. In the event respondent has ten (10) or fewer patients, the supervisor shall review all of respondent's patient records.
    - (1) Respondent's supervisor shall meet with her not less than once every quarter for the entire period of her probation.
    - (2) The supervisor shall have the right to monitor respondent's practice by any other reasonable means which he or she deems appropriate. Respondent shall fully cooperate with the supervisor in providing such monitoring.
    - (3) Respondent shall be responsible for providing written supervisor reports directly to the Department quarterly for the entire probationary period. Such supervisor's reports shall include documentation of dates and durations of meetings with respondent, number and a general description of the patient records and patient medication orders and prescriptions reviewed, additional monitoring techniques utilized, and statement that respondent is practicing with reasonable skill and safety.

6. Respondent shall pay all costs necessary to comply with this Consent Order.
7. Any alleged violation of any provision of this Consent Order may result in the following procedures at the discretion of the Department:

- e. Evidence presented to the Department by either the Department or respondent in any such hearing shall be limited to the alleged violation(s) of the term(s) of this Consent Order.
8. In the event respondent violates any term of this Consent Order, respondent agrees immediately to refrain from practicing as a licensed clinical social worker, upon request by the Department, with notice to the Department, for a period not to exceed 45 days. During that time period, respondent further agrees to cooperate with the Department in its investigation of the violation. Respondent further agrees that failure to cooperate with the Department in its investigation during said 45 day period shall constitute grounds for the Department to seek a summary suspension of respondent's license. In any such summary action, respondent stipulates that her failure to cooperate with the Department's investigation shall constitute an admission that her conduct constitutes a clear and immediate danger as required pursuant to the General Statutes of Connecticut, sections 4-182(c) and 19a-17(c).
9. In the event respondent violates any term of this Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of her license before the Department.
10. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Health Systems Regulation of the Department.

11. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Department.
12. Respondent understands this Consent Order may be considered as a public document and evidence of the above admitted violations in any proceeding before the Department in which her compliance with this Consent Order or with §20-195p of the General Statutes of Connecticut, as amended, is at issue.
13. Any extension of time or grace period for reporting granted by the Department shall not be a waiver or preclude the Department from taking action at a later time. The Department shall not be required to grant future extensions of time or grace periods.
14. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that she may have under the laws of the State of Connecticut or of the United States.
15. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
16. Respondent permits a representative of the Legal Office of the Bureau of Regulatory Services to present this Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.

17. Respondent understands and agrees that she is responsible for satisfying all of the terms of this Consent Order during vacations and other periods in which she is away from her residence.

18. Respondent has the right to consult with an attorney prior to signing this document.
